EDITORIAL NOTE

+ P. M. A. ROESCH, 1926-1990

Paul Roesch died on June 3rd, 1990. His loss is felt not only by his wife and family, but also by numerous friends and associates in many countries.

Supplement Three of TEIRESIAS, which accompanies this year's Bibliography, had originally been projected as a simple, informal celebration of the publication of our twentieth volume. It is now, with the kind permission of Mme. Geneviève Roesch, dedicated to the memory of Paul Roesch, as a token of respect and affection for an outstanding exponent of Boiotian studies.
