EDITORIAL NOTES

Administrative difficulties and rising costs have made it necessary to alter the publication pattern of *Teiresias*. Henceforth, *Teiresias* will come out annually (towards the end of the year). This will not, of course, affect the size of each year's volume, which will still contain the same amount of material as would have appeared in the two-fascicle format.

We take pleasure in including herewith the second of Professor Roesch's Epigraphical Appendices.

(AS)
