Editorial Board: J. M. Fossey (Archaeologica), P. Roesch (Epigraphica),
A. Schachter (General Editor)

Volume 12

1982

This issue of TEIRESIAS appears late because the General Editor, who compiles the Bibliography, is on sabbatical (indeed these words are being typed some 3000 miles from home). He records his thanks to D. Sedgwick for handling the business end in Montreal during his absence.

The numbering system has been changed slightly to give the year, section (1 for Historical, 2 for Literary), and item.

"LA BÉOTIE ANTIQUE": Colloque international du C.N.R.S.-Lyon, 1983.

A conference on Boeotian antiquities will be held at Lyon from 16-20 May, 1983. It is organized by P. Roesch and G. Argoud, of Lyon and St.-Étienne respectively.

The list of papers to be given at this conference is distributed herewith.
