

BIBLIOGRAPHY  
(Compiled by A. Schachter)

It is a pleasure to welcome the return, after long absence, of Professor Roesch's APPENDIX: EPIGRAPHICA.

The conference on Boiotian antiquities ("Colloque: La Béotie antique") referred to in Volume 12, took place as planned and with great success. The Proceedings are to be published, soon, it is hoped, but separately from TEIRESIAS. Requests for information about the Proceedings should be sent to Professor Roesch, whose address appears on the first page of the EPIGRAPHICA.

At the conference, it was suggested that people working on subjects related to ancient Boiotia be invited to send TEIRESIAS a brief note about their work in progress, for publication under that rubric.

The General Editor is now back from sabbatical, and wishes to thank D. Sedgwick for his assistance.
